

School Bus Application Form

We offer a door-to-door minibus service using own and leased buses equipped with individual seat belts. Each bus has a mobile telephone or radio on board.

We do our best to accommodate the needs of those parents who wish to use the school bus. Sometimes we must rule out an address if the distance involved means the other children will be on the bus too long. It is advised that families, who are considering using the St Paul's British Primary minibus, check with school about areas before choosing a house.

Fees for the use of the school bus are charged on a cost recovery basis and will be invoiced at the start of each term. Current annual fees are € 4,040 for two-way journeys and €2,040 for one way only.

We also have a more limited lunch time service for Nursery children and Reception children on Wednesdays.
