

Our fabulous Christmas Fair

What a super turn out for our Christmas Fair last Saturday and a beautiful day to match – a bright, crisp winter's afternoon. Thanks must go to Angela Brooks and the events team for their great organisation and to all the Exhibitors for their wonderful displays of Christmas Fare. The event would not have been the success it was either without the array of volunteers - friends, family and staff, who offered their time in many ways – so a big THANK YOU goes to you too. Finally, congratulations to all winners of the raffle – another fantastic selection of prizes on offer!

What a wonderful start to the festive activities at St Paul's.
